Dear Mr. Wismer:

In going over the back numbers of " The Numismatist" recently it struck me that for the purposes of our library it would be very desirable that we have your contributions regarding paper money bound up in a single volume, or possibly two volumes,as I suspect that they would make a rather bulky single one. I am writing to ask whether you have received reprints from "The Numismatist" of these articles from time to time, and if so, whether you could place a set of them at our disposal for the purposes indicated? If you do not feel that you are in a position to present such a set, assuming that the reprints were made, will you kindly advise me as to the value you place on a complete set.

Very truly yours,

Secretary.

Dear Mr. Noe:

Receipt is acknowledged of your valued letter of February 9th; all of which has been noted.

The first reprint of my list of Obsolete Paper Money, was the New Jersey List in pamphlet form. I am also having the New York List reprinted in the same way. However, I am somewhat uncertain as to the following States.

Regret that I cannot furnish you with a complete set of reprints of the entire List.

Very truly yours,

D. C. Wismer
